Welcome to the FOD Fringe 2025, proudly presented by Wyldwood Arts.

Join us for a vibrant month of events and performances happening across the enchanting Forest of Dean throughout March. We are thrilled to share this year's theme of Gathering, which celebrates community and togetherness. Let's come together on common ground; to share skills, food, creativity and culture. All activities are free or low-cost.

We are committed to making the FOD Fringe as accessible and inclusive as possible. At our events, we foster an environment of mutual respect and kindness. There is a space for everyone at FOD Fringe.

Listings inside. Unfold me to take a peek at our programme of events.

Remember to look online for any updates!
